

TECHNICAL DATA SHEET

ECOSAR 495 NG

● SUMMARY

**ADHESIVE IN WATER DISPERSION, AT SYNTHETIC LATEX BASE,
PARTICULARLY RESISTANT TO YELLOWING**

● USE

Particularly suitable for seaming operation in leather goods and shoes factories, for bonding of leather and synthetic material. It can be applied by spraying gun, roll-machine and by brush. Excellent initial grip and good open time.

● CHARACTERISTICS

- | | |
|--|--------------------|
| – Appearance | ivory white liquid |
| – Viscosity:
(Brook, RVT, 20°C)
(G3 – V20) | 2500 ± 500 cps |
| – pH value | between 8 and 9 |
| – Solid content | 50% +/- 2,5 |
| – Open Time | 3* hours |

* this datum can slightly change depending on the material type

● APPLICATION

- Use the product under the following conditions:
 - room temperature of adhesive and materials to be bond:
approx.20 - 22°C
 - humidity of materials: 8 - 10%
 - relative humidity of air: 65 - 75%
- Evenly apply **ECOSAR 495 NG** to both surfaces to be bonded
- let dry for at least for 3 minutes
- press the two surfaces

Notes: it is suggested to use the adhesive at temperatures not lower than 18°;
If the adhesive is stored in a cold room, it has to be reconditioned before use

- *STORAGE*

The expire date of the product shown on the label is valid for products if kept away from direct heat and cold and at standard storage conditions (minimum temperature 4°C to maximum 40°C). Exceeding the expiration date does not necessarily mean that the product no longer meets the specifications or values set. However, before using this product after the expiration date, Kenda Farben recommends checking whether it still meets the reference specifications or values. Kenda Farben will not be in any way responsible for failure to comply with specifications or values set after the deadline or due to incorrect storage that can shorten the life of the product.

- *NOTE*

Stir it well before its use. Keep from freezing.
Keep the packings perfectly closed.

This information is to the best of our knowledge true and accurate. However, all recommendations or suggestions are made without guarantee, since the conditions of use are beyond our control.
