

KENTAC SUPER

● *SUMMARY*

HARDENER, COLOURING AND PREPARATOR FOR SOLE EDGES AND LEATHER HEELS

● *CHARACTERISTICS*

KENTAC SUPER is a new alcohol-based varnish to be used both as preparator to harden and uniformly dye the leather heels and as varnish to draw the line of leather sole edge finished by **DIAMANTE**.

KENTAC SUPER is used as colouring preparator on leather heels and edges before finishing with **COLORE CERA SUPER** (or other tones for leather).

KENTAC SUPER is particularly suitable for preparation of injected heels covered by leather and for colouring of bands and gives perfect results for all materials (leather, masonite, salpa, regenerated leather, etc.).

KENTAC SUPER doesn't spoil abrasive paper during sanding and it highly penetrates the leather. It imparts very intense and homogeneous colour to the leather parts and gives perfect colour without halo even after sanding with abrasive paper. Furthermore **KENTAC SUPER** can be applied as varnish for leather sole edge finished by **DIAMANTE**.

● *APPLICATION*

● HEELS AND COVER-BANDS:

- rough by send-cloth no. 120
- apply **KENTAC SUPER** by pad or flat brush (let dry for about 10-15 minutes)
- rough once again by send-cloth no. 180

● EDGES:

- before trimming, apply **KENTAC SUPER** by small brush
- this process uniformly hardens the leather, closes the pores and flattens the excess of flesh side

During these applications **KENTAC SUPER** uniforms the hardness of leather layers and leaves a priming deep colour in case of coloured leather.

KENTAC SUPER

● *SUMMARY*

HARDENER, COLOURING AND PREPARATOR FOR SOLE EDGES AND LEATHER HEELS

● SOLE EDGES:

- By pad or edge-dyeing machine, apply **KENTAC SUPER** directly on leather sole finished by **DIAMANTE** and let well dry

During this application **KENTAC SUPER** draws an accurate and deep line of sole edge, without smudges.

● *COLOURS*

348501 Deep black

● *SOLVENTS*

Use **ETHYLIC ALCOHOL** for thinnings and washings

● *PACKING*

Can of Lt. 5 - carton of n. 4 cans

● *STORAGE*

Shelf life: about 24 months if stored in well closed original packings in a dry and airy place.

Keep from freezing and extreme heat.
